

NATIONAL Grease MP

NATIONAL Grease MP series is a high-quality multi-purpose grease designed for a wide range of low- to moderate-service conditions in automotive and industrial applications. Formulated with high-viscosity base oil, it provides exceptional wear protection and outstanding resistance to rust and corrosion, contributing to longer machinery life and reliable performance.

Benefits

- Lithium hydroxy-stearate thickener enhances structural stability and minimizes the need for re-greasing.
- Provides excellent wear and component protection for extended machinery life.
- Advanced formulation delivers superior rust and corrosion protection.
- Ideal for low- to moderate-service, speed, and temperature conditions.

Meets/Exceeds

- NLGI 2 / NLGI 3

Applications

- Suitable for multi-purpose automotive use in passenger cars, trucks, farm tractors, and mobile equipment.
- Ideal for lubricating automotive chassis points, universal joints, wheel bearings, and ball joints.
- Applicable across a wide range of industrial uses, including general lubrication of roller and sliding bearings.

Product Characteristics

Properties	Test Method	Unit	MP2	MP3
NLGI	ASTM D217	-	2	3
Color	Visual	-	Light Brown	Light Brown
Thickener Type	-	-	Lithium	Lithium
Base Oil Viscosity @ 40 °C	ASTM D445	cSt	200	200
Base Oil Viscosity @ 100 °C	ASTM D445	cSt	17.5	17.5
Dropping Point	ASTM D2265	°C	200	200
Worked Penetration @ 25 °C	ASTM D217	mm/10	275	230
<i>Product Code</i>			<i>001042</i>	<i>007042</i>

- Information, test methods, figures are typical and conform to specification; minor variation may occur.
- Refer Owner's Manual for the manufacturer's recommended performance level, viscosity grade and builder approval requirements.
- Please refer to the product Safety Data Sheet (SDS) for health, safety, and handling information.
