

NATIONAL Super Duty 50 CF

NATIONAL Super Duty is a monograde engine oil suitable for legacy diesel engines operating in hot climates. It provides protection against wear, deposits, and oxidation. This oil is particularly suitable for older vehicles.

Benefits

- Effective wear protection for engine parts, reducing friction and increasing engine longevity.
- Prevents sludge and carbon buildup, maintaining engine efficiency and reducing maintenance needs.
- Provides rust and corrosion protection for engine components, ensuring reliable operation.

Meets/Exceeds

- API CF

Applications

- Legacy diesel engines in fleet operations.
- Commercial vehicles and trucks where API CF performance is recommended.
- Agricultural machinery such as tractors, harvesters, and stationary engines.

Product Characteristics

Properties	Test Method	Unit	SAE 50
Density @ 15 °C	ASTM D4052	kg/L	0.9054
Kinematic Viscosity at 100 °C	ASTM D445	cSt	21.4
Viscosity Index	ASTM D2270	-	102
Flash Point, COC	ASTM D92	°C	260
Pour Point	ASTM D97	°C	-15
<i>Product Code</i>			177022

- *Information, test methods, figures are typical and conform to specification; minor variation may occur.*
- *Refer Owner's Manual for the manufacturer's recommended performance level, viscosity grade and builder approval requirements.*
- *Please refer to the product Safety Data Sheet (SDS) for health, safety, and handling information.*
