

# NATIONAL SpeedX Ultra SPX7 10W-40 SP

NATIONAL SpeedX Ultra SPX7 10W-40 SP is a next-generation gasoline engine oil formulated to exceed the latest API SP gasoline engine oil standards. This premium synthetic oil is specifically designed for modern high-performance engines, including those equipped with advanced emission control systems and hybrid powertrains.

## Benefits

- Extends oil change intervals while optimizing fuel efficiency
- Delivers superior engine wear protection under extreme driving conditions and wide operating temperatures.
- Help keep engine components clean by preventing varnish and deposit formation
- Ensure excellent cold-start protection, reducing wear during engine start-up.
- Protects against low-speed pre-ignition (LSPI), commonly observed in GDI engines.

## Meets/Exceeds

- API SP
- API SN Plus
- API SN

## Applications

- Designed for modern gasoline passenger car engine equipped with emission control systems.
- Recommended for all gasoline engines and vehicles worldwide.
- Suitable for any gasoline engine requiring API SP or earlier specifications.

## Product Characteristics

Properties	Test Method	Unit	SAE 10W-40
Density @ 15 °C	ASTM D4052	kg/L	0.8538
Kinematic Viscosity at 40 °C	ASTM D445	cSt	97.85
Kinematic Viscosity at 100 °C	ASTM D445	cSt	14.8
Viscosity Index	ASTM D2270	-	159
Flash Point, COC	ASTM D92	°C	246
Pour Point	ASTM D97	°C	-36
Total Base Number	ASTM D2896	Mg KOH/g	7.2
<i>Product Code</i>			295142

- Information, test methods, figures are typical and conform to specification; minor variation may occur.
- Refer Owner's Manual for the manufacturer's recommended performance level, viscosity grade and builder approval requirements.
- Please refer to the product Safety Data Sheet (SDS) for health, safety, and handling information.
