

NATIONAL SpeedX Optima SP 50 20W-50 SL

NATIONAL SpeedX Optima SP 50 20W-50 SL is high-quality automotive engine oil designed for both modern and legacy gasoline engines. It is formulated with high-performance additive system that ensures reliable operation under the demanding conditions. This oil provides superior protection against oxidation, wear, and corrosion at high temperatures, while maintaining excellent stability and performance as a multigrade lubricant.

Benefits

- Protects engine components from varnish and deposit formation.
- High oxidation stability helps limit deposit buildup, promoting longer engine life.
- Offers reliable performance across a wide operating temperature range.

Meets/Exceeds

- API SJ

Approval

- API SL

Applications

- Perfect lubricant for gasoline engines requiring API SL or lower specifications.
- Developed for vehicles from leading international automotive brands.

Product Characteristics

Properties	Test Method	Unit	20W-50
Density @ 15 °C	ASTM D4052	kg/L	0.8771
Kinematic Viscosity at 100 °C	ASTM D445	cSt	21.6
Kinematic Viscosity at 40 °C	ASTM D445	cSt	19.3
Viscosity Index	ASTM D2270	-	135
Flash Point, COC	ASTM D92	°C	260
Pour Point	ASTM D97	°C	-30
Total Base Number	ASTM D2896	mg KOH/g	6.5
<i>Product Code</i>			364142

- Information, test methods, figures are typical and conform to specification; minor variation may occur.
- Refer Owner's Manual for the manufacturer's recommended performance level, viscosity grade and builder approval requirements.
- Please refer to the product Safety Data Sheet (SDS) for health, safety, and handling information.
